

# Strategic Plan Implementation

However  
beautiful the  
strategy, you  
should  
occasionally look  
at the results.

Winston Churchill

## Deconstructing the Image:

The Blanket Toss has historically been used by the Inuvialuit to search for game and to spot whales.  
What better example is there of people working together to look forward and thus all contributing to set the vision of the community.

## We can help you with your planning implementation!
